

Les Moineaux

Chambres d'hôtes

**Looking for a pleasant stay in the Ardennes?
Come and visit Les Moineaux!**

This lovely guesthouse has 4 guest rooms (B&B), 2 apartments in the main building and 2 simple holiday cottages in the yard.

Les Moineaux is situated in the village of Maboge on the river Ourthe, about 5 kilometres south of La Roche-en-Ardenne, the tourist centre of the Ardennes, on the road to Houffalize.

Individual guests, families and groups of friends, everyone is welcome to enjoy a stay in our recently renovated home in the Ardennes.

Hiking, mountain biking, canoeing or simply enjoying the beautiful countryside - Les Moineaux is the perfect starting-point for all activities. Several well-indicated walks pass through the village and there are various VTT-routes (mountain bike) in the immediate surroundings.

Maboge possesses a 'plage'; a nice recreation area with playing field on the banks of the Ourthe. Canoes for La Roche also depart from the village.

Les Moineaux has an attractive communal living room at the disposal of its guests. There is also a dining room cum games room available to guests during the day.

The guesthouse offers a sunny covered terrace in front of the house and there are various seating areas spread over the yard.

A set-menu dinner is available by arrangement: "table d'hôtes". The owners regularly prepare a 3-course meal for their guests.

If you would like to know more about Les Moineaux or like to make a reservation, please visit our web site or give us a call. We are happy to accommodate you.
